

## **EURO-EUS 2019**

### **PANCREATIC INFLAMMATION AND OTHER RARE FOCAL LESIONS**

#### **Presidents**

Erwin Santo, Paolo Giorgio Arcidiacono, Julio Iglesias  
García

#### **Course Director**

Paolo Giorgio Arcidiacono

#### **Course Coordinator**

Kofi Oppong

## **OSR PancreatoBiliary Endoscopy & Endosonography Team**

- Maria Chiara Petrone
- Gabriele Capurso
- Alberto Mariani
- Gemma Rossi
- Sabrina Testoni
- Livia Archibugi
- Maria Emilia Traini

## **OSR Pathology Team**

- Claudio Doglioni
- Teresa Carbone
- Miriam Cosciotti
- Maria Grazia Lamonaca
- Giulio Legnani
- Franca Toffolo

## **OSR Surgeon**

- Massimo Falconi

## **Italian Faculty**

- Guido Costamagna
- Francesco M. Di Matteo
- Luca Frulloni
- Andrea Laghi

## **International Faculty**

- J. Devière (Belgium)
- E. Domínguez Muñoz (Spain)
- J. Farrell (USA)
- M. Kahaleh (USA)
- M. Löhr (Sweden)
- A. Philips (Israel)
- T. Ponchon (France)
- A. Săftoiu (Romania)
- A. Sahai (Canada)
- A. Soweid (Lebanon)

## **USA Team Orlando**

- S. Varadarjulu

## **India Team Hyderabad**

- N. Reddy
- S. Lakhtakla

## THURSDAY, 14<sup>TH</sup>

|               |                                                                                                                                                                                                                                   |
|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 08.00         | Registration                                                                                                                                                                                                                      |
| 08.30 – 08.40 | The President Welcome (E. Santo, P.G. Arcidiacono, J. Iglesias García)<br>The Course Coordinator welcome and communications (K. Oppong)                                                                                           |
| 08.40 – 09.00 | Lecture:<br>HOW TO BUILD UP AND RUN AN EFFICIENT EUS FELLOWSHIP TRAINING PROGRAM. THE ASGE (J. Farrell, USA)                                                                                                                      |
| 09.00 – 10.30 | Live Demo (Italy + Hyderabad)                                                                                                                                                                                                     |
| 10.30 – 11.00 | Coffee Break on the go                                                                                                                                                                                                            |
| 11.00 – 11.20 | Lecture:<br>AUTOIMMUNE PANCREATITIS 2019: WHAT WE NEED TO KNOW (L. Frulloni, Italy)                                                                                                                                               |
| 11.20 – 13.00 | Live Demo (Italy + Hyderabad)                                                                                                                                                                                                     |
| 13.00 – 13.40 | Lunch                                                                                                                                                                                                                             |
| 13.40 – 14.00 | Lecture:<br>INDETERMINATE STRICTURES DIFFERENTIAL DIAGNOSIS: TOSS OF THE COIN? (M. Kahaleh, USA)                                                                                                                                  |
| 14.00 – 16.00 | Live Demo (Italy + USA)                                                                                                                                                                                                           |
| 16.00 – 16.30 | Session:<br>PANCREATIC MASS-FORMING LESIONS: TIPS AND TRICKS FOR THE DIFFERENTIAL DIAGNOSIS<br><ul style="list-style-type: none"><li>- CEUS (A. Săftoiu, Romania)</li><li>- Elastography (Julio Iglesias García, Spain)</li></ul> |
| 16.30 – 16.50 | ENETS Presidential lecture:<br>PNET 2019: THE ROLE OF MULTIDISCIPLINARY TEAM AND CERTIFICATION OF CENTERS OF EXCELLENCE (M. Falconi, Italy)                                                                                       |
| 16.50 – 17.10 | ESGE Presidential Lecture:<br>QUALITY ASSESSMENT OF EUS COMPETENCY. TIME FOR AN ESGE CERTIFICATION PROGRAM? (T. Ponchon, France)                                                                                                  |
| 17.10 – 17.40 | Oral Presentations (3 best)                                                                                                                                                                                                       |
| 17.40 – 18.10 | Symposium TBD                                                                                                                                                                                                                     |
|               | END OF THE DAY                                                                                                                                                                                                                    |

## FRIDAY, 15<sup>TH</sup>

|               |                                                                                                                                                                                                                                                                                                                   |
|---------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 08.30 – 08.50 | Lecture:<br>TREATMENT OF FLUID COLLECTIONS AND WON IN THE ERA OF EVIDENCE-BASED MEDICINE: THE RIGHT TREATMENT, THE RIGHT DEVICE FOR THE RIGHT PATIENT (J. Devière, Belgium)                                                                                                                                       |
| 08.50 – 09.10 | Lecture:<br>ENDOSCOPY VS SURGERY FOR THE TREATMENT OF CHRONIC PANCREATITIS (G. Costamagna, Italy)                                                                                                                                                                                                                 |
| 09.10 – 11.00 | Live Demo                                                                                                                                                                                                                                                                                                         |
| 11.00 – 11.30 | Coffee Break on the go                                                                                                                                                                                                                                                                                            |
| 11.30 – 13.00 | Live Demo                                                                                                                                                                                                                                                                                                         |
| 13.00 – 13.40 | Lunch                                                                                                                                                                                                                                                                                                             |
| 13.40 – 15.40 | Live Demo                                                                                                                                                                                                                                                                                                         |
| 15.40 – 16.00 | Panel Discussion:<br>DIAGNOSIS OF EARLY CHRONIC PANCREATITIS: MYTH OR REALITY? <ul style="list-style-type: none"><li>- Introduction: E. Domínguez Muñoz (Spain)</li><li>- EUS driven (A. Sahai, Canada)</li><li>- MRCP driven (A. Laghi, Italy)</li><li>- Take home message: E. Domínguez Muñoz (Spain)</li></ul> |
| 16.00 – 16.20 | European Pancreas Club Secretariat Lecture:<br>THE CLINICAL AND THERAPEUTIC APPROACH TO THE FIRST PHASE OF ACUTE PANCREATITIS (M. Löhr, Sweden)                                                                                                                                                                   |
| 16.20 – 16.50 | Oral Presentations                                                                                                                                                                                                                                                                                                |
| 16.50 – 17.10 | Lecture:<br>AREAS OF LACK OF EVIDENCE AND NEED OF FUTURE CLINICAL TRIALS IN THE FIELD OF INFLAMMATION AND RARE PANCREATIC FOCAL LESIONS (G. Capurso, Italy)                                                                                                                                                       |
| 17.10 – 17.20 | Oral Presentation Award                                                                                                                                                                                                                                                                                           |
| 17.20         | FAREWELL AND SAVE THE DATE <b>EURO-EUS 2020 SANTIAGO DE COMPOSTELA</b>                                                                                                                                                                                                                                            |
